

A.R.T.® Autonomic Response Testing Practitioner Training Pathway

Foundation Level Assessment

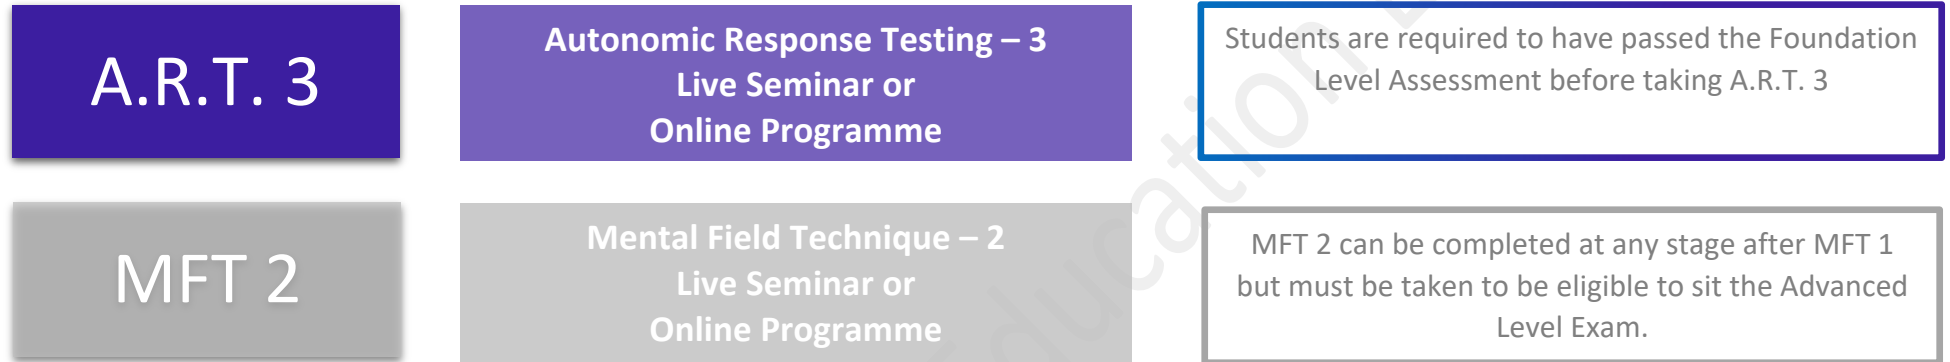

A.R.T. 1	Autonomic Response Testing – 1 Live Seminar or Online Programme	After A.R.T. 1 and 2 there is a CPD certificate of attendance but no A.R.T. certification.
A.R.T. 2	Autonomic Response Testing – 2 Live Seminar or Online Programme	At least 2 Klinghardt Institute Practice Events (in person or online) are recommended between each programme.
MFT 1	Mental Field Technique – 1 Live Seminar or Online Programme	MFT 1 can be taken at any stage either before, in between or after A.R.T. 1 and 2. It is a prerequisite for taking the A.R.T. Foundation Level Assessment.

On completion of A.R.T. 2 and MFT 1, students are eligible to take the A.R.T. Foundation Level Assessment* before advancing to A.R.T. 3.

* To take the Foundation Level Assessment you are required to be a healthcare practitioner governed by a regulatory body.

Advanced Level A.R.T.® Certification

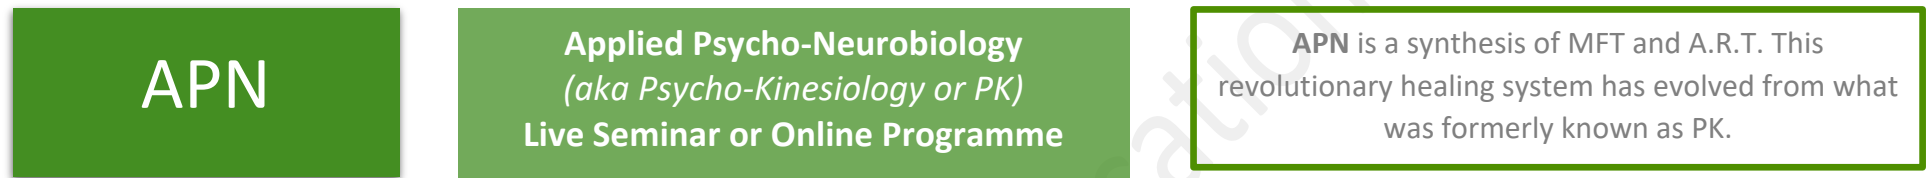

On completion of A.R.T. 3 and MFT 2, students are eligible to take the exam to gain A.R.T.® Advanced Level Certification:

ANK (Applied Neurobiology Klinghardt) Certification

The minimum requirement to join the APN Programme is completion of A.R.T. 2 *and* MFT 1 & 2

There is no exam after the APN programme. Holders of the A.R.T. Advanced Level Certificate will be awarded the ANK (Applied Neurobiology Klinghardt) Certificate on completion of APN.

To attend APN you must have completed A.R.T. 2 and MFT 1 & 2 but do not need to have sat the exams (in this case you will receive a Certificate of Attendance after the APN programme).
